

# **MEET THE TEACHER --- Mrs. Schmitt**

## **Teaching**

Hi! My name is Mrs. Kendra Schmitt. I am your child's second grade teacher. This is my 14<sup>th</sup> year teaching at Green Forest. I'm excited to begin this school year. Teaching has always been my passion. I love teaching every subject. One of my favorite things about second grade is the growth that takes place throughout the year. We will learn a lot while we have fun!

## **My Family**

I was born and raised in Salem. One of the things I enjoy most is spending time with my family. My husband, Brandon, is a lineman for Intercounty Electric, my daughter, Mackenzie, is a fifth grader at Green Forest, and my son, Greyson, is in kindergarten this year. We love traveling together, going on walks, reading, and playing with our dogs, Toby and Charlie.

## **My Favorites**

Present and past students, family, teaching, friends, books, the beach, warm weather, seasons changing, the colors of autumn, holiday spirit, decorating, pens, dogs, Mexican or Italian food, ice cream, sugar free gum, chocolate, listening to music, sitting on my porch, and traveling
